### Dear Friends,

How the past year has flown by since I became your Chaplain. I have learned so much from you all already and I hope 2016 will see new beginnings as we seek to share the Good News of Jesus Christ.

As I write this message there does not feel like much Good news about, as we are still shocked from the Russia plane explosion, the shootings in Paris and the thousands of refugees fleeing from a country that is broken and dangerous. Christmas is a reminder that there is a different way to live our lives. The way of peace. As we remember God's gift to us in his Son, Jesus, let us remember that he is the Prince of Peace and of his kingdom, there will be no end.

Let us pray as we move towards a New Year, the problems of the Middle East, especially Iraq and Syria, will become less, so that everyone may once again know peace in their hearts and among their families. Let us pray for the leaders of the world, that they may have wisdom to help put things right again.
