Church Newsletter

For the Diocese of London Deaf Churches

From the Chaplain

I have had a busy few hours sorting out my new phone. It has taken me a while to make sure all the contacts, email addresses and other information is all up to date.

Most of us rely on our mobile phones now and cannot imagine what life would be without them. They help us

keep in touch with each other, with family and friends. We know what is happening across the world in a matter of minutes.

Thinking about our need for communication reminded me about our need for prayer. Prayer is probably the most important communication that we do and yet many of us find it difficult to make time. Prayer is about communicating with ourselves and most importantly with God - it is a conversation between friends. Now we know God is not 'an old man in the sky' like the picture above.. but he is a friend, a Father and someone who cares about everything you do. He wants you to tell him your good news, your bad news and all the worries that you have. Talk to him as you would talk to your friends in an easy and comfortable way. He will listen and at the right time he will answer, but not always in the way you expect. Hopefully you will have a break from work during the summer and that is a good time to make a bit of extra time for prayer. Have a go!
